BACKGROUND

The GLMRC is a forum for managers and the exclusive representatives of GSA employees, which are the two national labor unions. In this forum, managers and the Unions discuss Government operations to promote satisfactory labor relations and improve the productivity and effectiveness of GSA. The GLMRC serves as a complement to the existing collective bargaining process, and allows managers and the Unions to collaborate in continuing to deliver the highest quality services to the public. The Council discusses workplace challenges and problems, and recommends solutions that foster a more productive and cost-effective service to the taxpayer, through improving job satisfaction and employees' working conditions.

AGENDA

The purpose of the meeting is for the GLMRC to discuss workforce planning and development challenges within GSA. The topics to be discussed include the make-up of GSA's current workforce and potential solutions for succession planning, workforce retention strategies, improved diversity, and for targeted training to address skill gaps

where necessary. Additionally, the GLMRC will discuss GSA's annual metrics report on monitoring improvements in areas such as agency mission accomplishment, labor-management relationships, and employee satisfaction. The report is to be submitted to the National Council on Federal Labor-Management Relations on or before Thursday, December 31, 2015.
